

## SUBJECT INDEX FOR VOLUME 18

## A

- Acceleration, effect of, 268 (Jy.).  
 program, and medical education (Johnson, Swett, Greene), 73 (Mar.).  
 Accomplishment of 1941-1942 freshmen in medical schools (Zapffe), 86 (Mar.).  
 of freshmen attending 1942-1943 session in medical schools of the United States (Zapffe), 347 (Nov.).  
 Admission, minimum requirements to medical schools, 58 (Jan.).  
 American Foundation for Tropical Medicine plans for expansion of activities, 141 (Mar.).  
 American Foundation for Tropical Medicine, 276 (Jy.).  
 American Foundation for Tropical Medicine, 339 (Sept.).  
 Anatomy, gross, some methods used in the instruction of (Crump), 385 (Nov.).  
 hours of work required in, in the medical schools of the United States (Place), 383 (Nov.).  
 remarks on teaching of (Lassek), 293 (Sept.).  
 results of examinations in by American Board of Surgery (Whipple), 185 (May).  
 to be or not to be (Wallin), 240 (Jy.).  
 Applicants for 1942 freshman class, 58 (Jan.).  
 seeking admission to medical schools in 1942 (Zapffe), 174 (May).  
 Aptitude test: See Test, aptitude.  
 Army and Navy training programs, 197 (May).  
 Army specialized training program, 125, 126 (Mar.); 193, 197 (May).

## B

- Basic science board in Tennessee, 277 (Jy.).  
 science laws (Clements), 105 (Mar.).  
 Baum, W. A., Co., Army and Navy "E" granted to, 341 (Sept.).  
 Biostatistics, teaching, what, where, how and by whom (Meleney), 284 (Sept.).

## C

- Case history of one medical class at the University of Illinois (Moon), 362 (Nov.).  
 Chemical warfare, course in at Northwestern University Medical School, 140 (Mar.).  
 Children, fund for psychiatric aid to, 340 (Sept.).  
 Cleveland meeting, 390 (Nov.).  
 Colleges, medical, opening dates for 1943 and 1944 sessions, 326 (Sept.).  
 Committee on Medical Service and Public Relations of A. M. A., 340 (Sept.).  
 Commonwealth Fund, public health fellowships, 70 (Jan.).  
 1942 report, 138 (Mar.).  
 Communicable disease control (Anderson), 285 (Sept.).  
 Contraception, teaching of in medical colleges (Upham), 397 (Sept.).  
 Cummings Foundation and Detroit Orthopedic Clinic merge, 129 (Mar.).

## D

- Deaths: Leslie Bigelow; F. H. Swett; Edward H. Risley; Edgar Allen, 126 (Mar.); Leslie W. Rowland, 139 (Mar.); Louis B. Wilson, 391 (Nov.).

## E

- Editorials, 57 (Jan.); 125 (Mar.); 197 (May); 267 (Jy.); 329 (Sept.); 389 (Nov.).  
 Education, medical, and medical service in South Carolina, 400 (Nov.).  
 medical, and procurement and assignment service (Diehl & West), 15 (Jan.).

- medical, and the Virginias, 199 (May).  
 medical, accelerated program (Johnson, Swett, Greene), 73 (Mar.).  
 medical, and the distribution of physicians and hospitals in the South (Davison), 118 (Mar.).  
 premedical, statement of opinion anent by the Executive Council of the Association of American Medical Colleges, 128 (Mar.).  
 Entrance requirements, minimum, 58 (Jan.).

## F

- Faculty as members of the Association, 390 (Nov.).  
 Fellowship, Mary Putnam Jacobi, 70 (Jan.).  
 Fellowships for Health Education, 339 (Sept.).  
 in tropical medicine, 268 (Jy.).  
 public health, Commonwealth Fund, 70 (Jan.).  
 Finger printing of medical students (Rees), 163 (May).  
 Foundation, American, for Tropical Medicine, 339 (Sept.).  
 Cummings, and Detroit Orthopedic Clinic merge, 139 (Mar.).  
 John and Mary R. Markle, aid given in teaching of tropical medicine, 125 (Mar.).  
 National, for Infantile Paralysis, 340 (Sept.).  
 Parly, for Research, 70 (Jan.).  
 Research, Johnson & Johnson, 401 (Nov.).  
 William Beaumont, 400 (Nov.).  
 Freshmen class of 1942, 329 (Sept.).  
 1943 class, 330 (Sept.).  
 Fund for psychiatric aid to children, 340 (Sept.).  
 Goldwater, for fellowship in hospital administration, 204 (May).  
 Thomson-Bevan surgical fellowship, 341 (Sept.).

## G

- Goldwater Fund for fellowship in hospital administration, 204 (May).  
 Graduates of 1942, 59 (Jan.).

## H

- Hall, Winfield Scott, 60 (Jan.).  
 Health, hospital and medical school coordinated program in municipal university (Leavell), 158 (May).  
 education, fellowships in, 339 (Sept.).  
 war time, and medical problems (Crabtree), 95 (Mar.).  
 High on a watchtower (Oliver), 313 (Sept.).  
 Hysteria, mass (McGuigan), 182 (May).

## I

- Illness, its prevention; influence of social and economic factors on; emphasis, mode of presentation and integration (Grant), 291 (Sept.).  
 Industrial medicine, teaching preventive medicine through (Wampler), 289 (Sept.).  
 Institute of Medicine of Chicago, postgraduate assembly, 340 (Sept.).  
 Interns, competition for, 60 (Jan.).  
 Internship, under accelerated program (Buerki), 227 (Jy.).  
 Internships, 268 (Jy.).

## J

- Johnson, Loren B. T., Memorial Fund, 340 (Sept.).  
 Johnson & Johnson Research Foundation, 401 (Nov.).

## K

- Kentucky, medical pioneers in (Abell), 221 (Jy.).

## SUBJECT INDEX FOR VOLUME 18

## A

- Acceleration, effect of, 268 (Jy.).

 Industrial medicine, teaching preventive medicine through (Wampler), 289 (Sept.).  
 Institute of Medicine of Chicago, postgraduate assembly, 340 (Sept.).  
 Interns, competition for, 60 (Jan.).  
 Internship, under accelerated program (Buerki), 227 (Jy.).  
 Internships, 268 (Jy.).

## J

- Johnson, Loren B. T., Memorial Fund, 340 (Sept.).  
 Johnson & Johnson Research Foundation, 401 (Nov.).

## K

- Kentucky, medical pioneers in (Abell), 221 (Jy.).

## L

- Licensure, emergency, 61 (Jan.).  
statistics for 1942, 267 (Jy.).  
Loans, Federal student, 140 (Mar.).

## M

- Markle, John and Mary R. Foundation aid given in teaching of tropical medicine, 125 (Mar.).  
Mary Putnam Jacobi fellowship, 70 (Jan.).  
Medical schools and the war effort (Chandler), 1 (Jan.).  
Medicine and the needs of the war (Rountree), 6 (Jan.).  
military, teaching of; committee report, 235 (Jy.).  
permanent values in (Davis), 318 (Sept.).  
plans for expansion of activities of American Society for Tropical Medicine, 141 (Mar.).  
social aspects of (Lassek), 368 (Nov.).  
study of, process of self discipline (Witzemann), 248 (Jy.).  
tropical, aid given by Markle Foundation, 125 (Mar.).  
tropical, fellowships, 268 (Jy.).  
tropical, teaching of, 60 (Jan.).  
tropical, teaching of in undergraduate medical schools (Meleney, Lapham & Soule), 34 (Jan.).  
Michael Reese Hospital program for medical teaching, 277 (Jy.).

## N

- National Foundation for Infantile Paralysis, 276 (Jy.).  
National Foundation for Infantile Paralysis, 340 (Sept.).  
Navy V-12 College Training Program, 192 (May).  
News, Association: Recommendations adopted at Louisville, 1942, meeting, 57 (Jan.); Cleveland meeting, 267 (Jy.); program for 1943 meeting, 324 (Sept.); meeting notice, 329 (Sept.); officers for 1943-1944, 390 (Nov.).  
book: 71 (Jan.); 142 (Mar.); 206 (May); 278 (Jy.); 342 (Sept.); 403 (Nov.).  
college, 63 (Jan.); 130 (Mar.); 200 (May); 271 (Jy.); 331 (Sept.); 392 (Nov.).  
general, 70 (Jan.); 138 (Mar.); 204 (May); 276 (Jy.); 339 (Sept.); 400 (Nov.).  
Nutrition, teaching in medical schools (Wildner), 145; (Stare), 150; (May).

## O

- Obstetrics, teaching to undergraduate medical students (Falls), 209 (Jy.).  
Oncology, functioning of a department of (Reimann), 298 (Sept.).  
Opening dates of 1943 and 1944 sessions of medical schools, 194 (May).

## P

- Parmly Foundation for Research, 70 (Jan.).  
Physician, training of a physician (Scott), 356 (Nov.).  
Pioneers, medical, in Kentucky (Abell), 221 (Jy.).  
Postwar medical care, foundation for the adequate distribution of (Collins), 371 (Nov.).  
Preventive medicine and public health objectives in teaching (Parr), 281 (Sept.).  
medicine, teaching through industrial medicine (Wampler), 289 (Sept.).  
Procurement and assignment service and medical education (Diehl & West), 15 (Jan.).

Program, accelerated, 198 (May).

Psychiatry, teaching to medical students (Ackerly), 167 (May).

Public health and preventive medicine, teaching of: committee report, 230 (Jy.).

Health, Commonwealth Fund fellowships, 70 (Jan.).

health for medical students, major objectives of a course in (Barnes), 282 (Sept.).

## R

Recommendations adopted by A. A. M. C. at Louisville, 1942, meeting, 57 (Jan.).

Research, medical, in war time (Andrus), 80 (Mar.).

medical, Toledo institute for, 205 (May).

## S

Sanitation, environmental (Hitchins), 287 (Sept.).  
Schering Award, 400 (Nov.).

South, medical education in and the distribution of physicians and hospitals (Davison), 118 (Mar.).

Stomatology, teaching of to medical students (Massler), 304 (Sept.).

Southwestern Medical Foundation Medical School, 276 (Jy.).

Specialization, effect of on education of the medical student (Slobody), 365 (Nov.).

Students, medical, study of their wartime problems (Fielder), 253 (Jy.).

Surgery, neurologic, courses for army doctors, 70 (Jan.).

## T

Teaching biostatistics, what, where, how and by whom (Meleney), 284 (Sept.).

of anatomy, remarks on (Lassek), 293 (Sept.).

of contraceptive measures in medical colleges (Upham), 307 (Sept.).

of military medicine: committee report, 235 (Jy.).

of nutrition in medical schools (Wildner), 145; (Stare) 150 (May).

obstetrics to undergraduate medical students (Falls), 209 (Jy.).

public health and preventive medicine; committee report, 230 (Jy.).

preventive medicine and public health, objectives in (Parr), 281; (Barnes) 282 (Sept.).

preventive medicine through industrial medicine (Wampler), 289 (Sept.).

psychiatry to medical students (Ackerly), 167 (May).

stomatology to medical students (Massler), 304 (Sept.).

tropical medicine in undergraduate medical schools (Meleney, Lapham & Soule), 34 (Jan.).

Tennessee Basic Science Board, 277 (Jy.).

Test, aptitude, predictive value of at Woman's Medical College (Herrmann), 113 (Mar.).

Texas medical replacement training center, 204 (May).

Thomson-Bevan Surgical Fellowship Fund, 341 (Sept.).

Toledo Institute of Medical Research, 205 (May).

Tropical medicine fellows, 198 (May).

## U

University of Florida Graduate School of Medicine, 401 (Nov.).

University of Georgia School of Medicine, 59 (Jan.).

University of South Florida, 329 (Sept.).  
University of Texas School of Medicine, 59 (Jan.).
